Dear Mr. Cors:

This letter is to inform you that as of October 9, 2002, the Commission has not received your response to our requests for additional information dated September 18, 2002. These notices request information essential to full public disclosure of your federal election campaign finances. To ensure compliance with the provisions of the Federal Election Campaign Act (the Act), please respond to these requests (copies enclosed).

An adequate response must be received at the Commission by October 30, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter, please contact Jane Parks on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Reference: August Monthly Report (7/1/02-7/31/02)

Dear Mr. Cors:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Please identify the name and address of the payee for the in-kind contribution(s) disclosed on Schedule B for Line 23.

-Your report discloses an in-kind contribution(s) made on behalf of a federal candidate(s). The original payments for the goods and services have been itemized as operating expenditures and included in the total for Line 21 of the Detailed Summary Page. In addition, the attribution to each federal candidate has been noted as a memo entry on supporting Schedule B for Line 23 (Contributions to Federal Candidates and Other Political Committees).

For future reporting, it is recommended that the amount of such activity be subtracted from Line 21 and added to Line 23 of the Detailed Summary Page. This method of reporting would clarify for the public record the total amount of contributions to federal candidates (including in-kind contributions) by reflecting them on Line 23 of the Detailed Summary Page.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in.
